

REMARKS

Claims 70 and 72-78 are all the claims pending in the application.

Claims 70 and 72-78 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-12 of U.S. Patent No. 6,359,846.

Without acquiescing to the Examiner's rejection, in order to expedite prosecution, Applicants file herewith a Terminal Disclaimer, thereby overcoming the rejection of claims 70 and 72-78.

Accordingly, Applicants submit that claims 70 and 72-78 are in condition for allowance, an indication of which is respectfully requested.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may best be resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Mamoru SHOJI et al.
